EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Based on an Office appeals conference, it was determined that the application would not be proper for appeal, but a further search is warranted to further reject some of the claims under appeal. Examiner conducted a further search and found claims 1-13 patentable over the prior art, but claims 14-25 might be rejected under newly discovered art submitted with this action.

Authorization for this examiner's amendment was given in a telephone interview with Kirk Hartung on April 14, 2005.

The application has been amended as follows:

claims 14-25 have been cancelled.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephen Gravini whose telephone number is 571 272 4875. The examiner can normally be reached on normal weekday business hours (east coast time).
